

Wellness Works Holistic Health Center in Glendale offers a donation-supported clinic to returning vets and their families. They receive one of a variety of stress-reducing, energy-balancing, spirit-restoring therapeutic practices. These sessions can help veterans cope with the sometimes difficult transition back to civilian life from the soul-searing days of military deployment.

Please consider donating \$60 for a one-hour session, \$30 for a half-hour session, or even \$5 will be greatly appreciated. When you donate, your name will appear on a heart-shaped colorful greeting card displayed for visiting veterans to see when they come in.

We thank you for supporting our returning service men and women in this way!
